ABOUT US

JRG LAMINATES, we are the pioneer in interior decorating with a range of options for home decorations to office spaces. We are the '**CLASS A**' manufacturer of PVC Wall

Our panels are easy to install, low maintenance, waterproof and works well in difficult conditions and terrains. PVC wall panels are completely hassle free and upgrades the look completely. This interior wall paneling trend has replaced other wall finishes such as wallpaper, tiles cladding, and paint. The **PVC Wall Panels** is the most popular wall panel. They can be used to improve the appearance of your interiors, as well as the floor and furnishings.

Today, PVC panels have become a strong pillar in the construction industry that replaces wood in exterior applications.

The three core properties of a PVC Panel includes:

- High Strength
- Light Weight
- Impact

The areas of application :

Known for durability, the PVC Panels have set a mark in the construction
